8.0	<p>Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.</p>
8.1	<p>Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i>, form HUD-50075.1, for each current and open CFP grant and CFFP financing.</p> <p>See attached HUD-50075.1 for 2016</p>
8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.</p> <p>See attached HUD-50075.2 for 2017-2020</p>

8.3	<p>Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.</p>
9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The Clinton County Housing Authority (CCHA) believes the current stock of affordable housing does not adequately meet the needs of low-income families of Clinton County. Due to the close proximity of a University, the college rental market influences area rents significantly. The average rent for a 1-bedroom apartment is \$650; which exceeds the Fair Market Rent by \$128 or 20%. Elderly families and those on a fixed income find it particularly difficult to secure affordable housing. Affordable housing options for various races and ethnic groups are similar to the general population. A recent study commissioned by the Criminal Justice Advisory Board concludes that a lack of forensic housing options is a key factor in a high recidivism rate in Clinton County.</p> <p>Families on the 2-bedroom list wait on average 8 years for an available unit and families on the efficiency bedroom list wait on average 6 years for an available unit. On average, 50% of the families on the efficiency bedroom list are near elderly or older. While our waitlists exceed 300 families, units in the Renovo area experience a higher than normal vacancy rate; 2.4%, and units in the Mills Park project in particular experience a vacancy rate around 4.6%. Lack of economic opportunities, lack of services, a declining population, and tenant-paid utilities are all contributing factors. These 27 Mills Park units have been underutilized for more than 10 years.</p>

Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.**

The Clinton County Housing Authority (CCHA) will partner with the Clinton County Housing Coalition, Inc. to accomplish the following:

1. Explore and develop more affordable housing.
2. Consolidate and centralize housing assistance grants.
3. Identify and offer solutions for homeless.
4. Develop forensic housing options.

CCHA staff will serve on the governing board of the Eastern Pennsylvania Continuum of Care (CoC) and on the Regional Homeless Advisory Board (RHAB) for the Northern Tier to coordinate housing assistance and solutions from all available sources.

CCHA will submit a disposition application for the under-utilized units in Mills Park.

CCHA will apply for Section 8 vouchers when funding is available.

CCHA will continue to modernize and update its public housing stock.

CCHA will increase self-sufficiency programming for residents by applying for a ROSS Coordinator.

CCHA will affirmatively market availability and services.

Additional Information. Describe the following, as well as any additional information HUD has requested.
