## ATTENTION LOCK HAVEN RESIDENTS!

### New Procedure For Excess Garbage Removal

Starting with trash pick-up service on **June 29, 2023**, residents with **excess garbage** will be required to place a sticker on each additional bag or on the top bag in a 32-gallon can to be picked up. You will no longer pay the trash hauler's employees directly or leave money out to pay.

Stickers can be purchased at the Authority's main office during normal business hours. Stickers are \$2.50 each and must be purchased in quantities of four, or a minimum of \$10.00.

No stickers are required for a single 32-gallon trash can. Make sure your can is easily identified. Mark your house number prominently on the can and the lid.

- One sticker is required for:
- Each extra bag of garbage
  - One extra 32-gallon garbage can (the can may contain multiple bags)
  - One single garbage can larger than 32-gallons

Two stickers are required for **extra** garbage cans larger than 32-gallons.

Tenants must call **Love Disposal at (570) 748-2760** to make arrangements for disposal of furniture, appliances, and other non-garbage items.

**CCHA will pick up all trash left at curbside after rounds and you will be charged.**

## EXAMPLES

CCHA-Supplied  
32-Gallon Can  
=  
0 Stickers

2 32-Gallon Cans  
=  
1 Sticker

1 32-Gallon Can
